VOLUME 42 **January–June 1993**

IDENTIFICATIONS	DATE	ISSUE
s-symposium	January	1
oa-original article	February	2
oarc-original article,	March	3
Residents' Corner	April	4
e-editorial	May	5
h-history	June	6

AUTHORS

Aboulafia DM
benign cystic mesothelioma of the peritoneum 42(6):413, 1993 oa

Akpele I
traumatic phrenopericardial hernia 42(1):33, 1993 oa

Albrink MH
implications of Candida antigen titers in injured adults 42(5):327, 1993 oa

Alemdaroglu K
changing characteristics in the colorectal cancers? a review of 915 cases 42(1):20, 1993 oa

Alexander JW
improving clinical outcome with specialized enteral nutrition 42(3):219, 1993 s

Allen LL
surgical treatment options for well-differentiated thyroid cancer: more is not necessarily better 42(3):197, 1993 oarc

Anderson BB
management of penetrating colon injuries 42(3):208, 1993 oarc

Bennett RS
spontaneous nontraumatic perforation of the small intestine 42(1):49, 1993 oa

Bloch AL
papillomatosis with adenocarcinoma in situ of the gallbladder: an unusual presentation of obstructive jaundice 42(2):105, 1993 oa

Block GE
practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287, 1993 s

Bohman HR
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Boley SJ
controversies in the management of biliary stones 42(1):61, 1993 s

Bonello JC
laparoscopic-assisted abdominoperineal resection 42(1):42, 1993 oa

Bono M
outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

Booth FVM
improving clinical outcome with specialized enteral nutrition 42(3):219, 1993 s

Byrd M
outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

Carr-Locke DL
controversies in the management of biliary stones 42(1):61, 1993 s

Cerra FB
improving clinical outcome with specialized enteral nutrition 42(3):219, 1993 s

Chow LWC
necrotizing fasciitis revisited 42(3):181, 1993 oa

Colella JJ
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

Collier BD
practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287, 1993 s

Corman ML
intestinal anastomosis 42(2):139, 1993 s

Crombie HD
surgical treatment options for well-differentiated thyroid cancer: more is not necessarily better 42(3):197, 1993 oarc

Cullado MJ
laparoscopic-assisted abdominoperineal resection 42(1):42, 1993 oa

Dahn MS
arterial graft surveillance 42(3):173, 1993 oa

Dalton ML
bilateral synchronous bronchogenic carcinoma 42(6):405, 1993 oa

Daly JM
improving clinical outcome with specialized enteral nutrition 42(3):219, 1993 s

Dawson DL
adhesions and experimental intraperitoneal gallstones 42(4):273, 1993 oa

Deckers PJ
surgical treatment options for well-differentiated thyroid cancer: more is not necessarily better 42(3):197, 1993 oarc

dePapp EW
papillomatosis with adenocarcinoma in situ of the gallbladder: an unusual presentation of obstructive jaundice 42(2):105, 1993 oa

Detroz B
reconstructive surgery for advanced malignancy of the pelvic cavity: alternatives to pelvic exenteration 42(4):253, 1993 oa

Detterbeck FC
organ donation and the management of the multiple organ donor 42(4):281, 1993 oa

reconstructive surgery for advanced malignancy of the pelvic cavity: alternatives to pelvic exenteration 42(4):253, 1993 oa

Detterbeck FC
organ donation and the management of the multiple organ donor 42(4):281, 1993 oa

Diamond DL
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

Djeu JY
implications of Candida antigen titers in injured adults 42(5):327, 1993 oa

Dodson RW
laparoscopic-assisted abdominoperineal resection 42(1):42, 1993 oa

Doerr RJ
practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287, 1993 s

Douglass P
traumatic phrenopericardial hernia 42(1):33, 1993 oa

Dunn CW
the use of carcinoembryonic antigen assay in the management of colorectal cancer patients in Dallas county 42(6):421, 1993 oa

Egan TM
organ donation and the management of the multiple organ donor 42(4):281, 1993 oa

Ellis H
cases from out of the past XXVI — Jules Pean: the first successful elective splenectomy 42(1):57, 1993, h
cases from out of the past XXVII — John Collins Warren: operations under ether anesthesia 42(2):135, 1993 h
cases from out of the past XXVIII — Joseph Lister: the first antiseptic operations 42(5):367, 1993 h
cases from out of the past XXIX — Alfred Armand Louis Marie Velpeau: excision of a recurrent tumor of the breast 42(6):439, 1993 h

Ellmore E
postoperative arrhythmias 42(2):114, 1993 oa

Feola M
bronchogenic cysts: an overview 42(3):167, 1993 oa

Ferrara BE
spontaneous nontraumatic perforation of the small intestine 42(1):49, 1993 oa

Fritts LL
surgical treatment options for well-differentiated thyroid cancer: more is not necessarily better 42(3):197, 1993 oarc

Fry WR
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Gatling RR
bilateral synchronous bronchogenic carcinoma 42(6):405, 1993 oa

Gilder MW
bilateral adrenal hemorrhage and insufficiency in association with acute gangrenous cholecystitis 42(5):351, 1993 oa

Gilleland WN
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

Gliedman ML
controversies in the management of biliary stones 42(1):61, 1993 s

Goins WA
management of penetrating colon injuries 42(3):208, 1993 oarc

Goldthorn JF
bronchogenic cysts: an overview 42(3):167, 1993 oa

Harrison WD
spontaneous nontraumatic perforation of the small intestine 42(1):49, 1993 oa

Hazelrigg S
current concepts in thoracoscopic surgery 42(5):371, 1993 s

Henderson VJ
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Hoehner JC
spontaneous pneumoperitoneum with pneumobilia: case report and review of the literature 42(6):431, 1993 oa

Holley LW
bilateral synchronous bronchogenic carcinoma 42(6):405, 1993 oa

Huber Jr PJ
the use of carcinoembryonic antigen assay in the management of colorectal cancer patients in Dallas county 42(6):421, 1993 oa

Hughes KS
technique for axillary dissection: use of the Bookwalter retractor 42(3):189, 1992 oa

Isenberg JS
recent gastrointestinal anastomosis experience in a community hospital surgical residency program 42(5):345, 1993 oa

Kaplan EL
management of hyperparathyroidism 42(6):443, 1993s

Kerstein M
outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

Klimberg VS
spontaneous nontraumatic perforation of the small intestine 42(1):49, 1993 oa

Kluger Y
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

Koehler RH
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Landreneau RJ
current concepts in thoracoscopic surgery 42(5):371, 1993 s

Leitman IM
bilateral adrenal hemorrhage and insufficiency in association with acute gangrenous cholecystitis 42(5):351, 1993 oa

Leland DG
adhesions and experimental intraperitoneal gallstones 42(4):273, 1993 oa

Loh TKS
necrotizing fasciitis revisited 42(3):181, 1993 oa

Low D
benign cystic mesothelioma of the peritoneum 42(6):413, 1993 oa

Lund N
postoperative arrhythmias 42(2):114, 1993 oa

Mack MJ
current concepts in thoracoscopic surgery 42(5):371, 1993 s

Mackarem G
technique for axillary dissection: use of the Bookwalter retractor 42(3):189, 1993 oa

Martin Jr EW
practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287, 1993 s

Matsumoto T
outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

McKearn TJ
practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287, 1993 s

Metcalf AM
spontaneous pneumoperitoneum with

pneumobilia: case report and review of the literature 42(6):431, 1993 oa

Mill MR
organ donation and the management of the multiple organ donor 42(4):281, 1993 oa

Morabito DJ
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Murr PC
salmonella infection of a massive retroperitoneal cystic lymphangioma 42(2):129, 1993 oa

Naunheim KS
current concepts in thoracoscopic surgery 42(5):371, 1993 s

Norton JA
management of hyperparathyroidism 42(6):443, 1993 s

O'Leary JP
intestinal anastomosis 42(2):139, 1993 s

Ombrellaro M
bronchogenic cysts: an overview 42(3):167, 1993 oa

Ong CL
necrotizing fasciitis revisited 42(3):181, 1993 oa

Organ Jr CH
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Ozbal A
changing characteristics in the colorectal cancers? a review of 915 cases 42(1):20, 1993 oa

Papadakos PJ
papillomatosis with adenocarcinoma in situ of the gallbladder: an unusual presentation of obstructive jaundice 42(2):114, 1993 oa

Paul DB
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

Petersen BT
controversies in the management of biliary stones 42(1):61, 1993 s

Png DJC
necrotizing fasciitis revisited 42(3):181, 1993 oa

Rackner V
benign cystic mesothelioma of the peritoneum 42(6):413, 1993 oa

Rajagopalan R
necrotizing fasciitis revisited 42(3):181, 1993 oa

Reddick EJ
controversies in the management of biliary stones 42(1):61, 1993 s

Rhee RY
papillomatosis with adenocarcinoma in situ of the gallbladder: an unusual presentation of obstructive jaundice 42(2):105, 1993 oa

Rosemurgy AS
implications of Candida antigen titers in injured adults 42(5):327, 1993 oa

Rosenthal D
intestinal anastomosis 42(2):139, 1993 s

Ryan J
benign cystic mesothelioma of the peritoneum 42(6):413, 1993 oa

Sariego J
outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

Schwartz SI
do ye ken Will Keen? 42(1):8, 1993 e
now is the time 42(2):90, 1993 e
food for thought 42(3):160, 1993 e
ironic illness 42(4):246, 1993 e
consistent precision 42(5):320, 1993 e
little glands — big names 42(6):402, 1993 e

Silich RJ
recent gastrointestinal anastomosis experience in a community hospital surgical residency program 42(5):345, 1993 oa

Silvestri F
bilateral adrenal hemorrhage and insufficiency in association with acute gangrenous cholecystitis 42(5):351, 1993 oa

Sinclair KE
management of penetrating colon injuries 42(3):208, 1993 oarc

Sirin F
changing characteristics in the colorectal cancers? a review of 915 cases 42(1):20, 1993 oa
primary small cleaved-cell follicular lymphoma of the breast 42(5):358, 1993 oa

Smith RS
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Sugarbaker PH
reconstructive surgery for advanced malignancy of the pelvic cavity: alternatives to pelvic exenteration 42(4):253, 1993 oa

Sweeney JF
implications of Candida antigen titers in injured patients 42(5):327, 1993, oa

Tangen LE
laparoscopic-assisted abdominoperineal resection 42(1):42, 1993 oa

Thurston MO
practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287, 1993 s

Tortolani AJ
bilateral adrenal hemorrhage and insufficiency in association with acute gangrenous cholecystitis 42(5):351, 1993 oa

Townsend RN
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

Tsoi EKM
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

Tuzuner N
primary small cleaved-cell follicular lymphoma of the breast 42(5):358, 1993 oa

Ulualp KM
changing characteristics in the colorectal cancers? a review of 915 cases 42(1):20, 1993 oa
primary small cleaved-cell follicular lymphoma of the breast 42(5):358, 1993 oa

Valleix D
intestinal anastomosis 42(2):139, 1993 s

Van Buren CT
improving clinical outcome with specialized enteral nutrition 42(3):219, 1993 s

van Heerden JA
management of hyperparathyroidism 42(6):443, 1993 s

vanSonnenberg E
controversies in the management of biliary stones 42(1):61, 1993 s

Walker ML
traumatic phrenopericardial hernia 42(1):33,1993 oa

Wegener ME
complications of central venous line placement 42(4):266, 1993 oa

Wei S
implications of Candida antigen titers in injured adults 42(5):327, 1993 oa

Wells Jr SA
management of hyperparathyroidism 42(6):443, 1993 s

White JV
intestinal anastomosis 42(2):139, 1993 s

Williams MD
salmonella infection of a massive retroperitoneal cystic lymphangioma 42(2):129, 1993 oa

Williams W
organ donation and the management of the multiple organ donor 42(4):281, 1993 oa

Wyatt MS
traumatic phrenopericardial hernia 42(1):33,1993 oa

Young JC
lower urinary tract injury induced by blunt trauma: the trauma surgeon's perspective 42(5):337, 1993 oa

SUBJECTS

ABDOMEN
laparoscopic evaluation of abdominal trauma: a preliminary report 42(1):13, 1993 oa

laparoscopic-assisted abdominoperineal resection 42(1):42, 1993 oa

spontaneous nontraumatic perforation of the small intestine 42(1):49, 1993 oa

outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

papillomatosis with adenocarcinoma in situ of the gallbladder: an unusual presentation of obstructive jaundice 42(2):105, 1993 oa

salmonella infection of a massive retroperitoneal cystic lymphangioma 42(2):129, 1993 oa

controversies in the management of biliary stones 42(1):61, 1993 s

intestinal anastomosis 42(2):139, 1993 s

management of penetrating colon injuries 42(3):208, 1993 oa

practical applications for immunoscintigraphy in the surgical management of colorectal cancer 42(4):287-310, 1993 s

adhesions and experimental intraperitoneal gallstones 42(4):273-276, 1993 oa

spontaneous pneumoperitoneum with pneumobilia: case report and review of the literature 42(6):431, 1993 oa

benign cystic mesothelioma of the peritoneum 42(6):413, 1993 oa

ADRENAL GLANDS
bilateral adrenal hemorrhage and insufficiency in association with acute gangrenous cholecystitis 42(5):351, 1993 oa

BILIARY TRACT
spontaneous pneumoperitoneum with pneumobilia: case report and review of the literature 42(6):431, 1993 oa

BREAST
technique for axillary dissection: use of the Bookwalter retractor 42(3):189, 1993 oa

primary small cleaved-cell follicular lymphoma of the breast 42(5):358, 1993 oa

CANCER
changing characteristics in the colorectal cancers? a review of 915 cases 42(1):20, 1993 oa

laparoscopic-assisted abdominoperineal resection 42(1):42, 1993 oa

outcome in gastric carcinoma patients surgically resected for cure 42(2):97, 1993 oa

papillomatosis with adenocarcinoma in situ of the gallbladder: an unusual presentation of obstructive jaundice 42(2):105, 1993 oa
